Visible Elegance. Hidden Hardware. Smooth Lines.

Smooth lines. Classic colors. Visible elegance. RadianceRail adds a distinctive profile and high-end presence to any deck with a myriad of options to mix and match posts, rails, balusters, and infills. You can also enhance your custom style with lights.

- Scratch resistant polymer cap and composite core
- Four dramatic infill options: composite, aluminum, cable, and glass
- Installs at a 45-degree angle without additional hardware
- Available in 6', 8', or new 10' sections in 36" or 42" rail heights
- Sturdy, solid feel that resembles painted wood
- Post sleeves in 42" and 12' lengths, post caps and post skirts sold separately
- Customize your top rails, bottom rails, infill and post sleeves with easy mix and match options
- Available in six beautiful color options
- 25-year limited warranty for residential applications
- TimberTech products are designed to resist fading. Depending on environmental conditions, colors may change over time, consistent with the warranty guarantees where applicable.
