NOTE: Colors throughout this brochure are simulated. Consult product samples before making final selection.

Sharp Batten Edge

The straight-edged design of the batten creates a finely crafted, real-wood look.

Flat Face, 6-1/2" Board

Certainteed's 6-1/2" board span is the industry's widest, and is designed to have a straight, even face with a flat surface for a true cedar board appearance.

Premium .048" Thickness

Board & Batten panels have a thickness of .048" for the ultimate in strength and durability.

Rough Cedar Finish

Certainteed was the first to utilize a direct transfer system from real cedar boards creating a natural woodgrain texture.
