

End Coating

You Spoke. We Listened.

Our customers were longing for a recommended solution on how to cover up exposed end cuts. TimberTech's end coating provides a color matched solution to hide the end cuts.

- Formulated to work with all TimberTech® planks and Evolutions Rail®
- Tested to resist environmental conditions
- Six color options: Cedar, Gray, Rosewood, Teak, Walnut, and Black
- Sold in 8 oz containers
- Can be purchased by the dealer or end-user through e-commerce in units (packs of six) or individual quantities - www.timbertechstore.com
